Why Choose TruNorth – North America’s Leader in Sustainable Outdoor Living

Eco-Innovative Materials

TruNorth® Composites products are proudly crafted in North America using our exclusive blend of recycled plastics and upcycled rice hulls, which are sustainably sourced and help reduce deforestation. On average, each deck installed recycles the equivalent of 6,000 plastic water bottles.

Superior Durability and Low Maintenance

Whether you choose TruNorth® Composite decking or TruNorth® Composite fencing, or Clubhouse® PVC decking our high-performance products are designed for long life and ease of care. There is never a requirement to sand, stain or seal, and each product we offer comes with a comprehensive warranty.

Fire Safety Commitment

Clubhouse® PVC decking features a Class-A fire rating, ensuring superior safety and compliance with stringent building codes.

Commitment to the Future

Dedicated to advancing sustainable living, TruNorth® continues to innovate, ensuring that your choice is not only beautiful but environmentally responsible.

Discover Your Style

Reimagine your outdoor living space with a variety of color and styles, engineered to perfectly complement our TruNorth® Slide & Go Fence collection.

A new generation of PVC decking with advanced material science, world-class engineering, and patented performance manufacturing.

TRUNORTH

ACCUSPAN

Building your dream deck is easy with TruNorth® Accuspan composite deck boards. Featuring a dual-embossed grain, they come in grooved and square edges for design flexibility. Square edge boards are ideal for trim, stair treads, feature boards, picture framing, and direct fastening on main surfaces.

Accuspan grooved edge boards are 5½" x 1" and available in 12', 16' and 20' lengths.

Accuspan square edge boards are 5½" x 1" and available in 16' and 20' lengths.

TRUNORTH

ENVIROBOARD

For a budget-friendly deck, choose TruNorth® Enviroboard. It offers the same quality, durability, and wood grain features as Accuspan but is more economical. Enviroboard is lighter, uses less material, and maintains the same formula and capping as Accuspan.

Enviroboard grooved edge boards are 5¼" x 1" and available in 12', 16' and 20' lengths.

Gen II

dual finish board

Explore the versatility and innovation of TruNorth® Decking Gen II. Featuring a modern brushed finish on one side, our classic wood grain pattern on the other, and a new standardized groove for compatibility with more fasteners, you have more options than ever before.
