TRUNORTHDECKING.COM

Explore Outdoor Living with TruNorth

From premium decking to full-suite outdoor solutions, experience all the ways you can transform your home.

Why Choose TruNorth – Canada's Leader in Sustainable Outdoor Living

Eco-Innovative Materials

TruNorth Composites products are proudly crafted in Ontario, Canada using our exclusive blend of recycled plastics and upcycled rice hulls, which are sustainably sourced and help reduce deforestation. On average, each deck installed recycles the equivalent of 6,000 plastic water bottles.

Superior Durability and Low Maintenance

Whether you choose TruNorth composite decking or TruNorth composite fencing, or Clubhouse PVC decking our high-performance products are designed for long life and ease of care. There is never a requirement to sand, stain or seal, and each product we offer comes with a comprehensive warranty.

Fire Safety Commitment

Clubhouse PVC decking features a Class-A fire rating, ensuring superior safety and compliance with stringent building codes.

Commitment to the Future

Dedicated to advancing sustainable living, TruNorth continues to innovate, ensuring that your choice is not only beautiful but environmentally responsible.

Discover Your Style

Reimagine your outdoor living space with a variety of colors and styles, engineered to perfectly complement our TruNorth Slide & Go® Fence collection.

Decking Material Performance Comparison

CLUBHOUSE®

PVC DECKING

A new generation of PVC decking with advanced material science, world-class engineering, and patented performance manufacturing.

Advanced color technology for longer-lasting good looks

Extreme impact resistance rivals strength of hardwoods

Engineered for strength with exclusive Korelite™ technology

Can be heated and bent without compromising

Proprietary wood grain embossing technology

Low moisture absorption

Stays up to 30% cooler than other competing PVC brands

Limited transferable Lifetime Performance Warranty

CLUBHOUSE

Flame Spread Rating	Class A Flame Spread Rating			
Heat-Blocking Technology	Stays cooler than other PVC and composite decking brands (our coolest boards!)			
Slip-Resistance	Excellent slip-resistance that exceeds ADA requirements (Americans with Disabilities Act)			
Available Lengths	12', 16', or 20'	12', 16', or 20'	8' and 10' *	12'
Price	\$\$\$	\$\$\$	\$\$\$	\$\$\$

* Available in four Earthtone colors

SQUARE EDGE

Clubhouse® square edge deck boards are 5½" x 1" and available in 12', 16' and 20' lengths.

GROOVED

Clubhouse® grooved deck boards are 5½" x 1" and available in 12', 16' and 20' lengths.

Clubhouse® Decking combines the perfect blend of durability and aesthetics, making it the ideal choice for any outdoor space. Available in a variety of profiles, including square edge, grooved, 2 x 6, cladding strips, and fascia, it offers versatile options to suit your design needs.

SQUARE EDGE AND GROOVED DECK BOARDS

Our square edge and grooved decking boards feature a super-dense, water-resistant structure that ensures long-lasting performance. The single-extrusion process guarantees that your deck won't warp or rot, even under the harshest conditions. Available in six natural Hardwood colors and five Earthtone shades.

- Ensures durability and longevity with a super-dense, water-resistant structure
- Prevents warping and rotting through a single-extrusion process
- Maintains a natural look even when heated and bent
- Enjoy the beauty of wood without the upkeep

Our versatile 2 x 6 boards and cladding strips share the same super-dense, water-resistant structure and single-extrusion process as our other deck boards, ensuring durability and beauty for years. Exclusively in our four Earthtone colors. Additional colors available upon request.

2 X 6 BOARDS

Our 2 x 6 boards are engineered for strength and safety with our exclusive Korelite™ and anti-slip technology and are ideal for more heavy duty projects.

- Perfect for stair treads
- Construct a super strong deck with 2x6 boards
- Great for marina settings to construct the best dock

CLADDING STRIPS

The cladding strips are an excellent choice for finishing touches, offering a modern look with a beautiful brushed finish that complements any design.

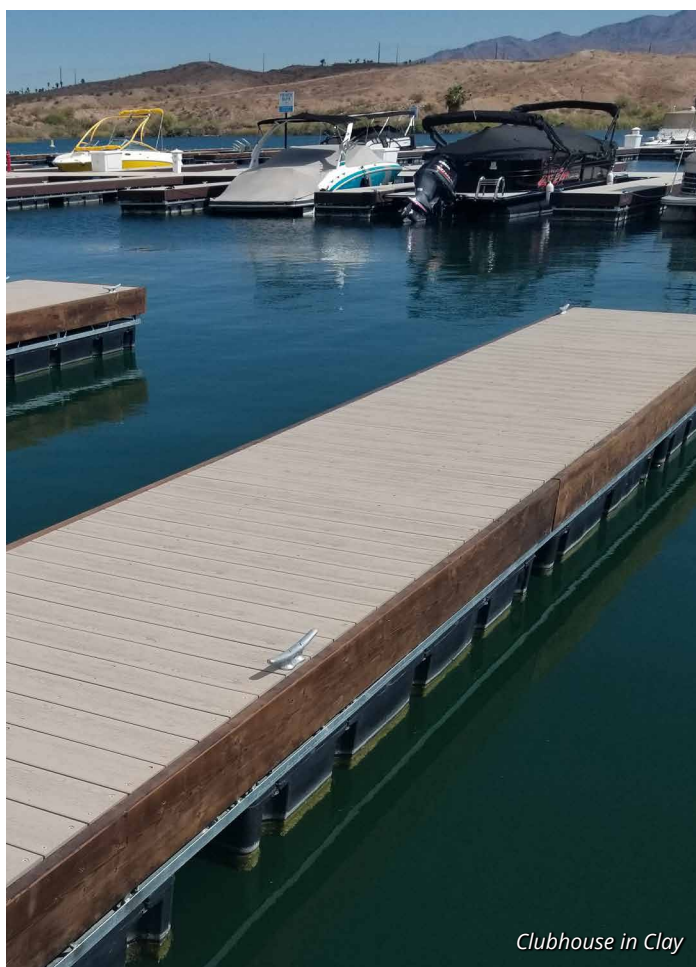

- Perfect for applying trim to your deck
- Ideal for use with our complementary fascia board to complete your deck
- Add beauty to your dock piles, to match your 2 x 6 boards

2 X 6 BOARDS

Clubhouse® 2 x 6 boards are 5½" x 1½" and available in 8' and 10' lengths.

CLADDING STRIPS

Clubhouse® cladding strips are 1½" x ¾" and available in 12' lengths.

Clubhouse ConnectClip™

With the Clubhouse ConnectClip™ system you get a fastener that goes down fast and leaves the deck surface unmarred.

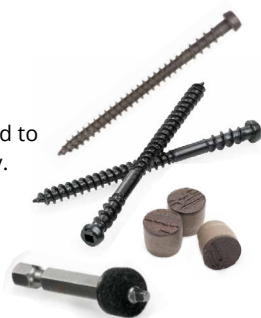

- Ideal for main decking areas
- Two packaging options:
 - 50 sq. ft. of individual hand driven screws
 - 300 sq. ft. of collated pneumatic scrails, for use with Tiger Claw pneumatic installation gun

Cortex® Hidden Fasteners

Perfect for stairs, perimeter boards and hard to reach areas, Cortex® plugs blend seamlessly.

- Made from color matched Clubhouse stock
- Available in all 10 Clubhouse decking colors
- 100 lineal foot package

Tiger Claw Pneumatic Installation Gun

Screw nail through the clip into the joist with perfect placement and secure deck boards in one motion. Complete up to 400 sq ft of decking per hour. Suitable for all skill levels.

2 x 2 Composite Construction Board

Ideal for framing rooftop decks and ground-level decks installed over concrete slabs. Allows for adequate air circulation and drainage of water under your deck boards. Will not rot thanks to an eco-friendly wood-free formula.

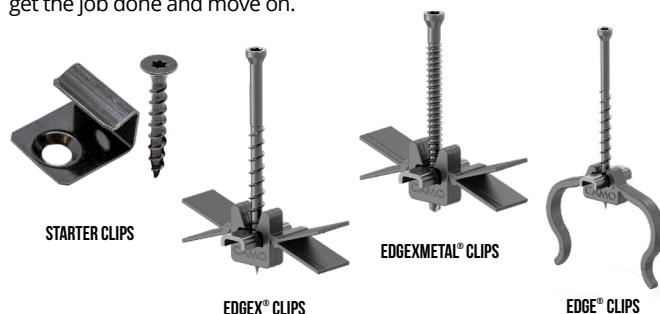

CAMO® LEVER Deck Tool

Speeds up grooved deck installation by locking in several rows of boards and clips at a time, keeping them perfectly straight.

CAMO® Fasteners

Easy to use, easy to learn — so you can get the job done and move on.

CAMO ClipDRIVE® Fastening Tool

Streamline deck installations with ease and speed. Height-adjustable, compatible with standard drills, and suitable for professional and DIY deck builders.

Clubhouse Brookstone and Ironwood

The beauty of natural wood and the benefits of wood-free composite, made with an eco-conscious blend of 95% recycled materials.

More durable than other composite boards*

Heat blocking technology keeps deck cooler

Wood-free formula means no rotting or molding

Eco-friendly product made with 95% recycled materials

Never paint, stain or seal

Capped on all four sides for maximum protection

Fade and stain resistant with 25-Year Limited Warranty

**Based on independent lab tests for abrasion and impact resistance*

Price	\$	\$\$	\$\$	\$\$

All TruNorth decking products are certified to meet Canadian, International and USA building codes and feature our 25-year stain & fade warranty.

TRUNORTH ACCUSPAN

For those who want a little extra strength underfoot, the solid core TruNorth® Accuspan is your best choice. TruNorth® Accuspan is available in both grooved edge and square edge profiles providing everything you need to build your dream deck.

Accuspan square edge boards are perfect for borders, breaker boards, and stair treads.

Accuspan Grooved Edge boards are 5½" x 1" and available in 12', 16' and 20' lengths.

Accuspan Square Edge boards are 5½" x 1" and available in 16' and 20' lengths.

TRUNORTH ENVIROBOARD

If you're looking for a fresh deck while sticking to a strict budget, TruNorth® Enviroboard is your best option. By reducing the amount of material in the core, we're able to keep the cost low without sacrificing performance.

TruNorth® Enviroboard has the same formula and 25 year warranty as the solid core TruNorth Accuspan. Simply pair with Accuspan Square Edge for borders, breaker boards, and stair treads.

Enviroboards are 5½" x 1" and available in 12', 16' and 20' lengths.

Gen II *dual finish board*

Explore the versatility and innovation of TruNorth Decking Gen II. Featuring a modern brushed finish on one side, our classic wood grain pattern on the other, and a new standardized groove for compatibility with more fasteners, you have more options than ever before.

Gen II is available in all 6 of our variegated colors on Enviroboard, Accuspan Square Edge, and Fascia profiles.

TRUNORTH

SLIDE & GO FENCE

VINYL PANELS

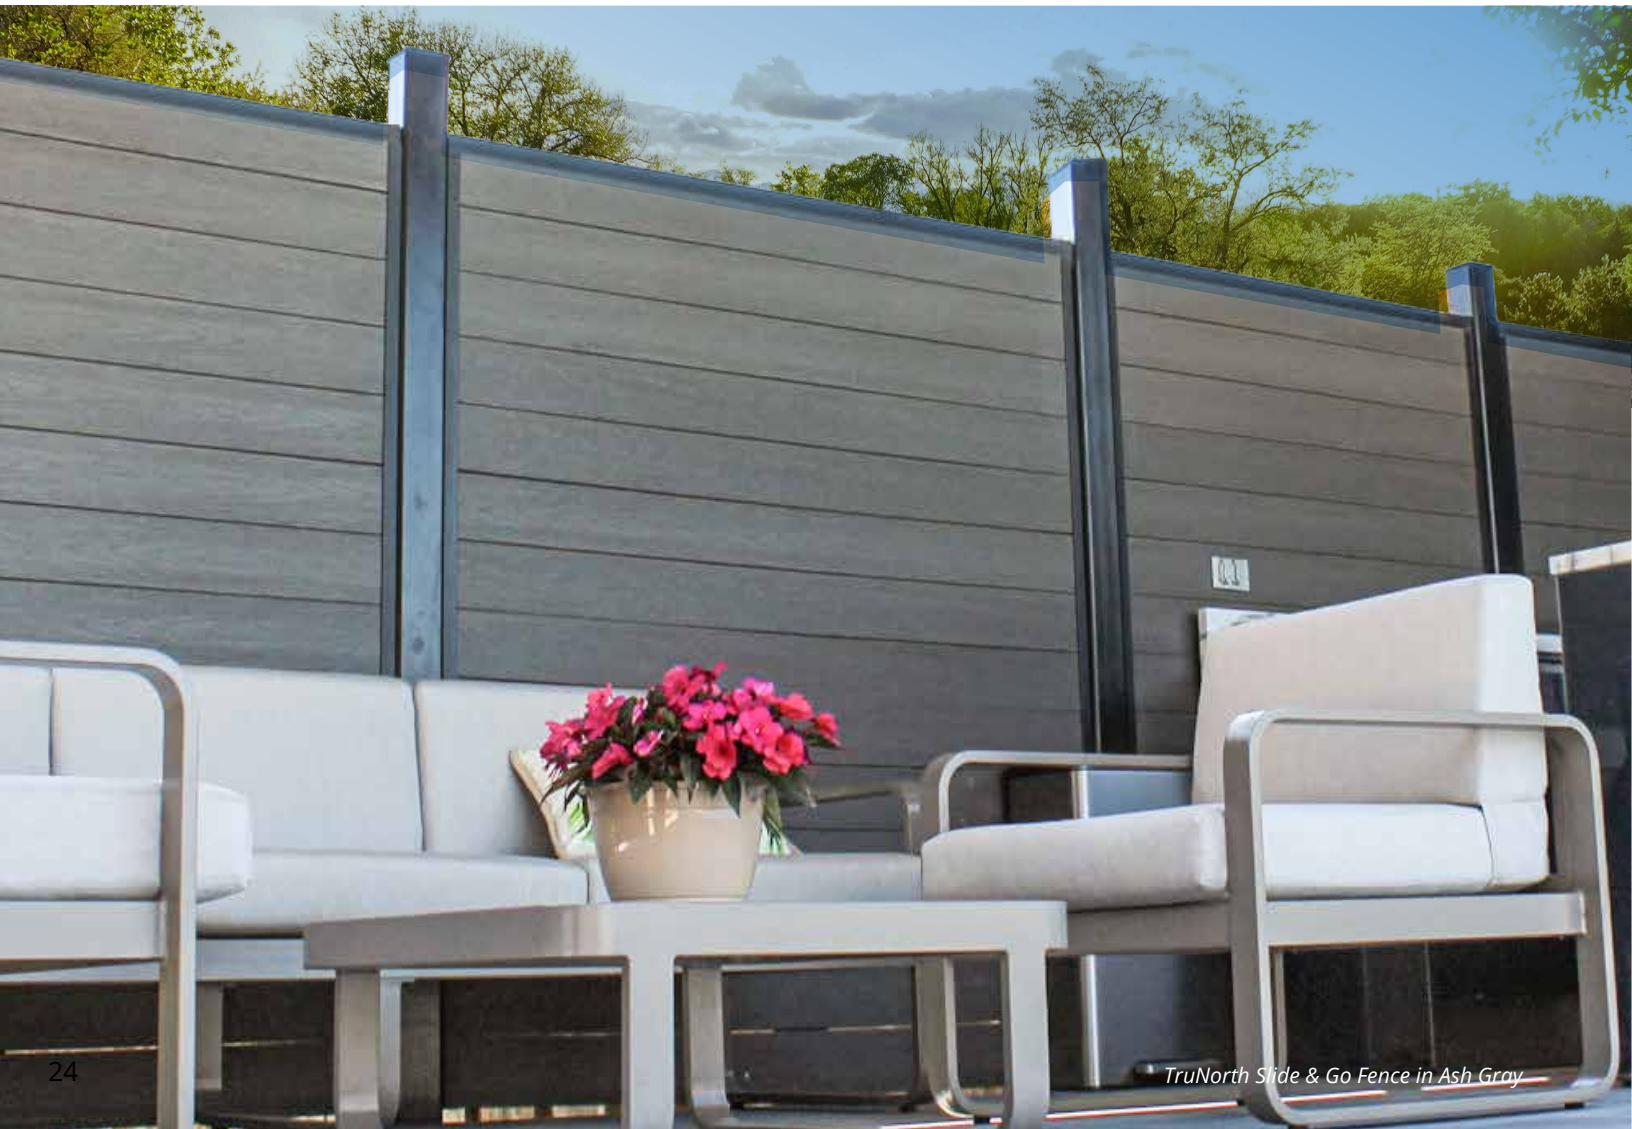

- Susceptible to algae, mold and mildew
- Cold weather can make vinyl brittle and prone to damage
- Requires frequent cleaning to remove stains & mildew
- Susceptible to fading
- Look of vinyl is not as aesthetically pleasing

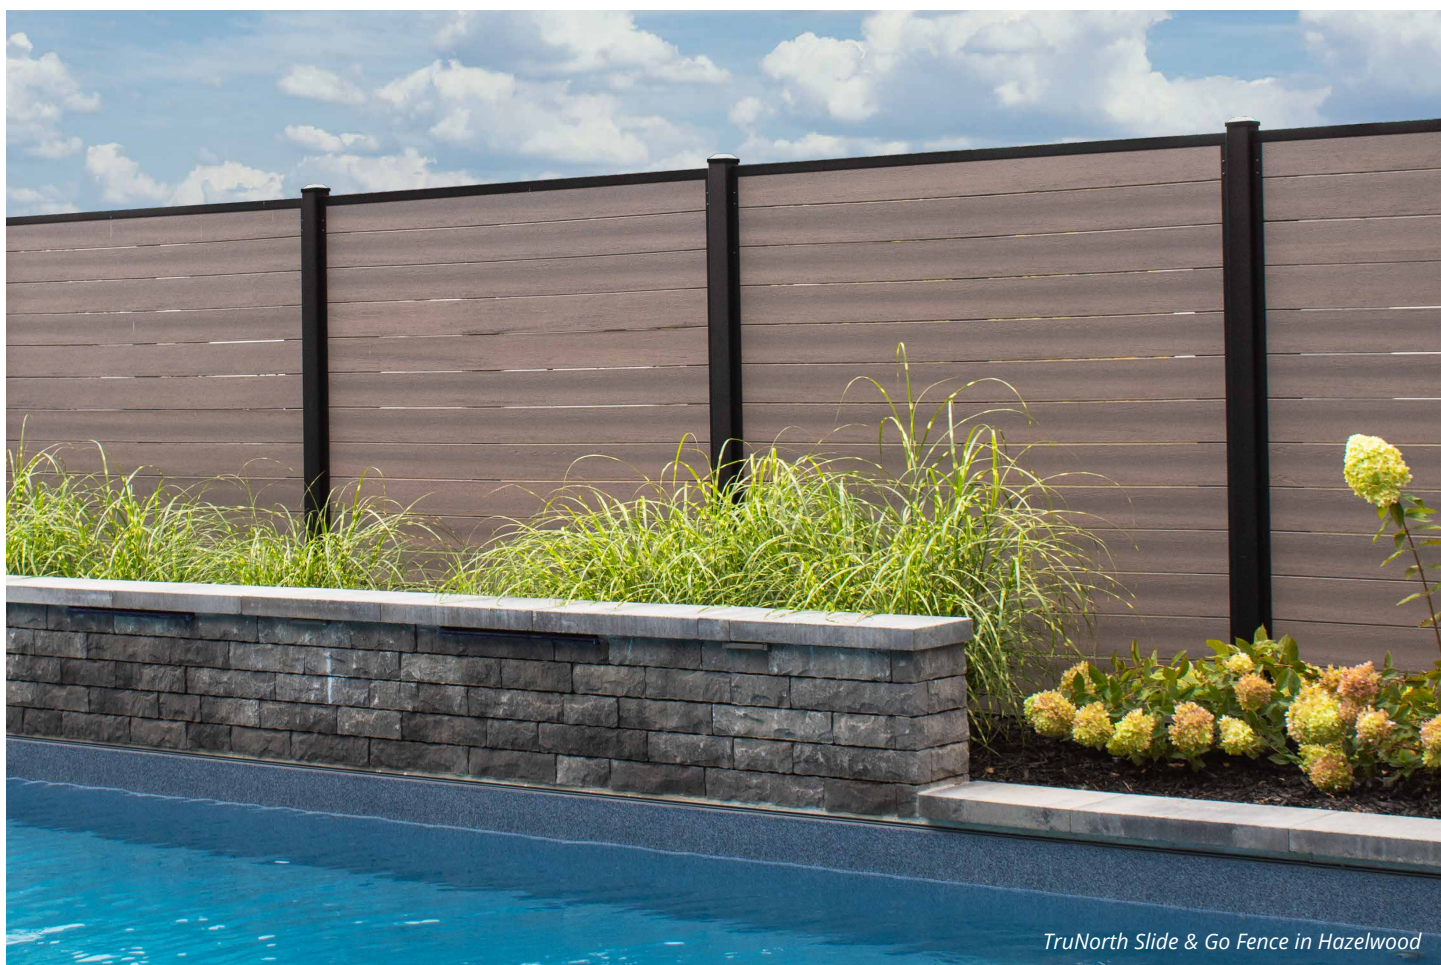

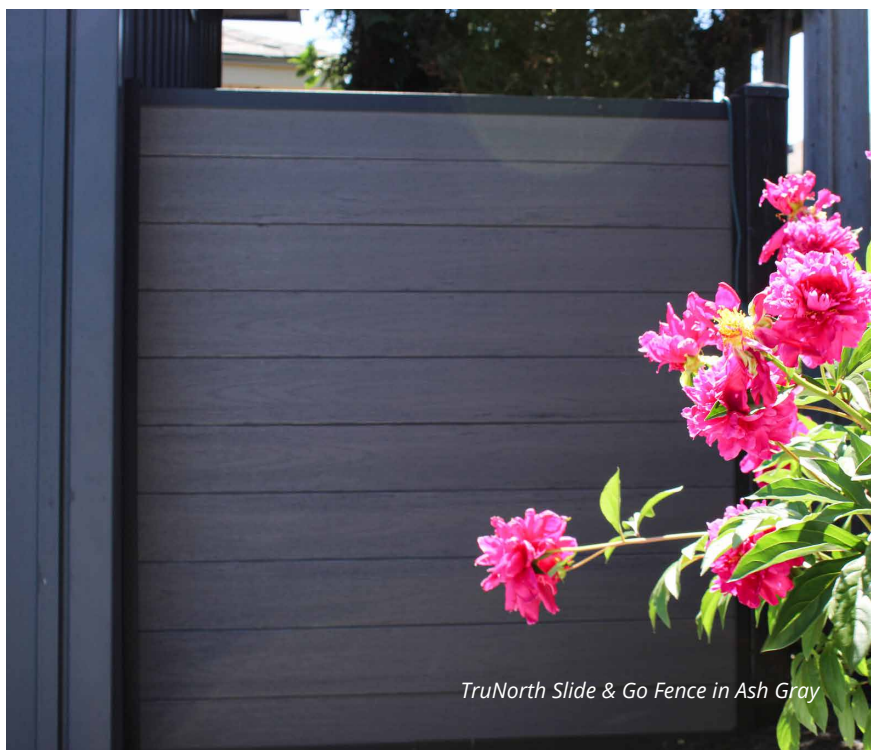

SLIDE & GO® PANELS

- Will not rot or mold
- Exceptionally durable and built to withstand extreme weather
- Color does not fade
- Eco-friendly rice husk formula made with 95% recycled materials
- The natural look of wood, without the maintenance

How does the
competition stack
up against TruNorth
Slide & Go Fence?

The Slide & Go® Fence makes it easy to install just the right amount, from a single privacy screen panel to a whole fence.

The strength of aluminum, the warmth and look of wood.

- The strength and endurance of aluminum
- The durability & low-maintenance of composite
- The warmth and privacy of a natural wood fence
